

UPV/EHU Faculty

Eneko Agirre

Category: Full Professor
Doctor : Yes
Department: LSI
Centre: Computer Science Faculty
Email address: e.agirre@ehu.eus
Phone: +34 943 015 019

PhD and B.A. in Computer Science by the UPV/EHU, MSc. by Edinburgh University. Visiting professor at Stanford. Over 150 international peer-reviewed articles in Natural Language Processing. He has been secretary and president of the ACL SIGLEX and member of the editorial board of Computational Linguistics. He co-founded the Joint Conference on Lexical and Computational Semantics, now in its 7th edition. He is a usual reviewer for top international journals, a regular area chair and reviewer for top international conferences. He has led the local team in several National and European projects (MEANING, PATHS, QTLEAP, READERS, LIHLITH). He received a Google Research Award in 2016.
