Phone:943015428

Doctor in Basque Philology (UPV / EHU) and Master in Computational Linguistics (UB). Professor of the University (UPV/EHU), attached to the Faculty of Economics and Business (Section Gipuzkoa), I teach in this faculty the subjects of Norms and Uses of Basque and Communication in Basque, and in the Computer Science Faculty the subject of Applied Linguistics. Member of the IXA Group, my research focuses on the processing of natural language and specialized languages.
