Phone: 943015059, 943033105

Bachelor's degree (2001) and PhD in Basque Philology (2010). A postdoctoral researcher at University College London (2011-2012) and the ILCLI (2013). A member of the ILCLI since 2002, and nowadays member of the research group *Language, action, and thought*. Her research interests are mostly the semantics and pragmatics of the Basque evidential/modal particles, and other words/expressions used to express modality/evidentiality in Basque, semantics/pragmatics distinction, experimental pragmatics and pragmatics of anaphoric/logophoric pronouns in Basque. She is an assistant professor at the department of Basque Language and Communication since 2015, nowadays at the Faculty of Informatics.
