Phone: 0034946017569

Mikel Iruskieta holds a Basque Philology degree and a PhD on Applied Linguistics at the University of the Basque Country (UPV/EHU). Since 2004, he is a member of the IXA Research Group (Natural Language Processing Group) and of KSI of the CLARIN-ERIC. He is also a professor of Basque Language and Communication at the Teachers Training School of Bilbao at the same university (UPV/EHU) since 2008. His research fields are communication, parsing (semantic, syntactic and discourse), and development of linguistic resources for Basque.

He has more than 25 papers (5 in JCR or SJR):
